CORE Club & Organization Registration Assessment Report

Anita Roberts, Coordinator, Club & Organization Development and Advising

**Choose One:** Needs Assessment

**Date of Assessment Implementation:** September - November 2019

**Date of Report:** February 2019

**Purpose of Assessment**

To assess the effectiveness of the instructional portion of the CORE Conference

**Division Learning Outcome** Choose a Learning Outcome

· Intentional learning - employing self-knowledge of the social and cognitive factors influencing their learning to engage in ongoing reflection and exploration for the purpose of personal development

**Targeted Learning Outcome**

· Critical thinking - thinking clearly and logically to evaluate ideas, analyze and interpret information, and draw inferences through reasoning

**Assessment Methodology**

Electronic survey given to Club & Organization Presidents; as well as observations made from myBAR Interns and professional staff

**Results**

Survey results will provide information on the extent of which registration instructions during the CORE Conference minimize the need of additional assistance from interns and professional staff.

**Conclusion**

There is a need to mitigate additional contact for registration instruction, which could be provided during the CORE Conference. This will lessen the time spent providing continued instruction that is provided during the registration process.

**Implications for Practice**

· Changes made in CORE content and delivery could mitigate the need for continuous assistance following conference attendance.

**Closing the Loop**

Based on results/findings, CORE content on instructional processes will be changed in order to minimize the need for additional instruction. Including:

- hands-on engagement
- multimedia content on website

- greater accessibility
