

CAMPUS POLICE ADVISORY & SAFETY COMMITTEE MEETING MINUTES

Date and Time: Thursday, May 18, 2023 | 1:00 PM – 2:30 PM PST
Meeting Location: On-Campus, SSB 121 MPR 1963
Members Present (in-person): Megan Stang (Chair), Peter A Hanink, April Jimenez-Valadez, Christy Orgeta, Phyllis R. Nelson, Jose G. Fonseca, Jesus Francisco Avalos

I. WELCOME & INTRODUCTIONS

MEGAN STANG

Megan Stang, Committee Chair, welcomed the committee members and called the meeting to order at 01:04

II. UPD UPDATES & OUTREACH EFFORTS

OFFICER FONSECA

Officer Jose G. Fonseca updates the committee on UPD's proactive training efforts, particularly with active shooter training and other outreach training. Following the incident earlier in the month, UPD thoroughly investigated the police's response to the situation.

While response time was quick, there was no communication on the situation with surrounding buildings and buildings across the campus.

- Up until now, the consensus has been that no information should be released until facts are confirmed to prevent a crisis. However, students and staff deserve to know what is going on, and information will spread through social media no matter what.
- Emergency warning/notification infrastructures are in place but do not work fast enough to provide real-time updates.
- Lack of staffing can be attributed to these shortcomings.

Addressing shortcomings moving forward:

- Provide real-time updates or warning to students and staff through social media, email, or text.
- Create a classification standard for what is considered a critical situation.

IV. STUDENT MEMBERSHIP OUTREACH

ALL COMMITTEE MEMBERS

Goal: Meet directly with student organizations, instead of going through ASI, to do outreach and meet students directly.

- Utilizing non-event mediums like newsletters, MyCPP, Billy Chat, etc. to reach up to thousands of students daily.
- Increasing UPD visibility on campus outside of car patrolling, with tabling, live events, guest lecturers, crisis management training, etc.
 - o To address low turn-out rates for live events, we can provide incentives like prizes, recommendation letters, stipends, etc.
- Coffee with a Cop, and Pet a Dog events during finals weeks.
- Collaborations with campus partners: workshops, brief presentations.
- Mounting/biking police for patrol helps UPD become more approachable for students, and increased presence helps keep campus safer and deter crimes.
