

Directions to Our Office

The map below displays the building highlighted in red. There is a handicap accessible ramp that leads to the main entrance of the plaza. For short visits, there are several metered parking spaces located down the hill from building 26.

BY SHUTTLE:

Bronco Express Shuttle A stops in front of the grass hill leading to Building 26. It is a short walk up the grass hill or around the grass hill to Building 26.

BY CAR:

If you are a visitor to campus, please stop by the Parking & Information Booth located just off Kellogg Drive to receive parking directions. Metered parking is available down the hill from Building 26. Longer term parking is available in designated areas of Parking Lot D, F8, F4 or the Parking Structure with a valid permit. Temporary permits can be obtained from the Parking & Information Booth or yellow parking permit dispensers located in the parking structure and Lot F4. Driving instructions to campus appear below.

BY BICYCLE:

Building 26 does not have a bike rack. There is a bike rack located directly across the University Plaza in front of the Bronco Student Center for the convenience of bicyclists. Remember to lock your bike and ALWAYS wear your helmet!
