

CalPolyPomona LOTERIA

Thank you for joining Project CAMINOS for a special edition of CPP Lotería!

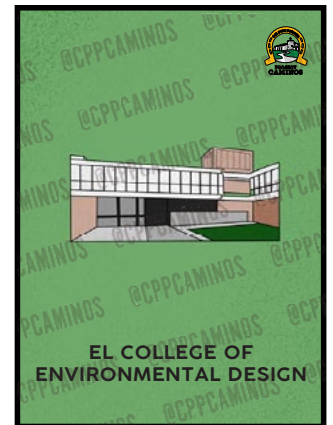

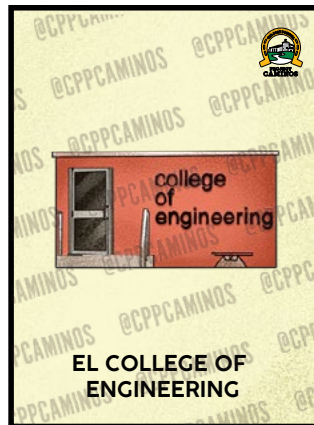

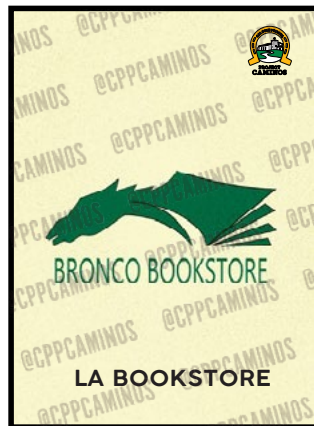

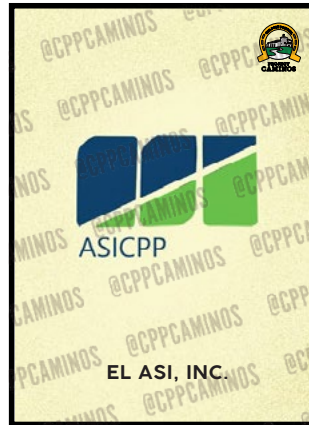

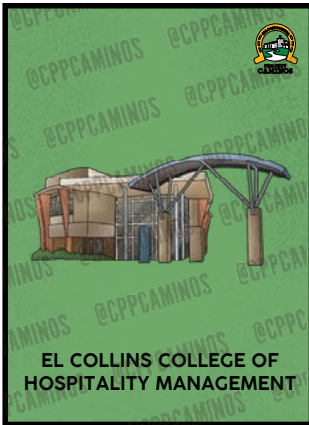

How To Play?

1. Select your playing tabla (card).
2. Claim your tabla (card) by renaming yourself on zoom with the playing tabla (card) number. Example: 03 billy bronco
3. Listen for the cards to be called. Mark your virtual playing tabla (card) with a check mark on the left top corner once the card is called. Keep playing until you check mark all the cards in the playing tabla (card).
4. Be the first to unmute to say out loud "¡Lotería!" or type in the chat "¡Lotería!".

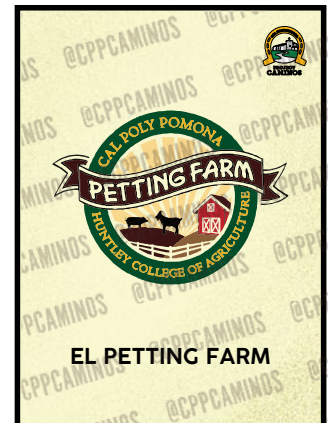

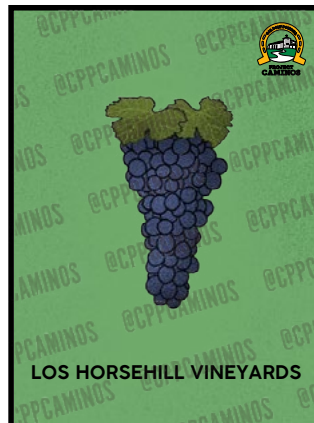

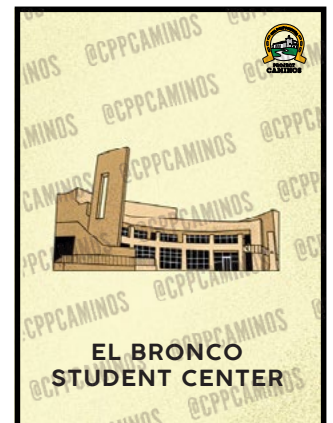

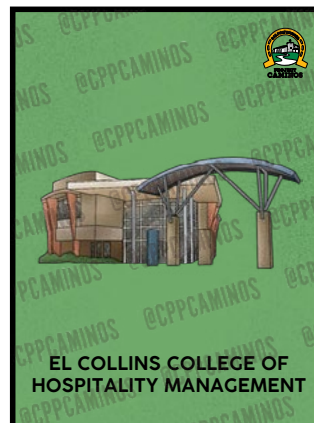

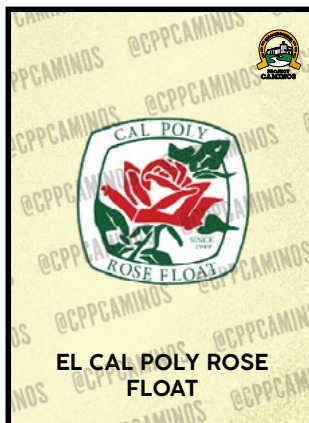

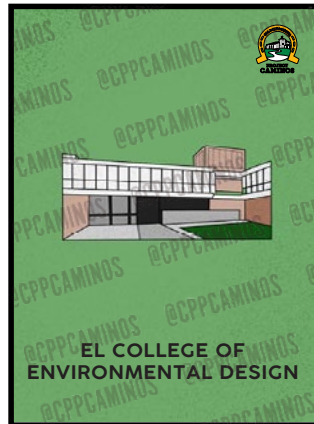

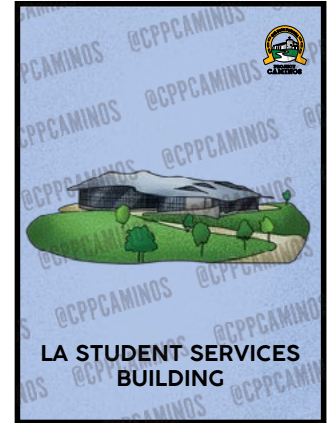

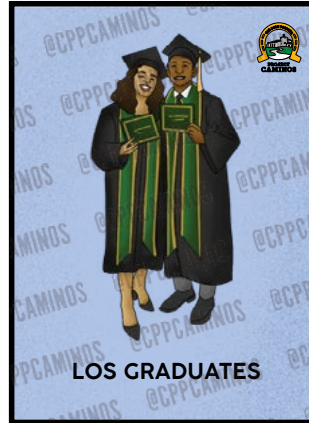

Make sure you are the first one to indicate Lotería and show your winning card to win. There will only be one winner per round and you may only win once.
