Title: Delegation of Authority to Impose Discipline

Authority is delegated to the campus president to impose discipline on employees of the campus. The president may delegate this authority at his or her discretion to one or more designees. Accordingly, the president or designees may impose discipline under this executive order on employees within the president's appointing authority.

The Office of General Counsel reviews all proposed disciplines and notices of disciplines for legal sufficiency. General Counsel also provides or authorizes the provision of any legal services for disciplines, except when the sanction is a suspension of 30 days or less. In those cases, the campus presents the case for discipline. In addition, the systemwide Office of Human Resources is available to offer advice and assistance as campuses act under this delegation.
