This policy shall apply to all licensing agreements with the California State University (CSU) or a CSU affiliated enterprise authorizing a licensee to manufacture products bearing the name, logo, or image of the CSU. This policy shall include each contractor, subcontractor, vendor, or manufacturer that is engaged in a manufacturing process including assembly and packaging of a CSU licensed product.

The CSU is opposed to any acts or omissions by a licensee that would constitute labor abuse. Officers and employees of the CSU and its auxiliary organizations will use their best efforts to ensure that licensees adhere to non-abusive labor practices, including the provision of safe and healthful working conditions.
