

A Bangkok Air airplane is shown in flight against a blue sky with light clouds. The plane has a colorful livery with yellow, green, and blue stripes. Below the plane, a tropical coastline is visible with a blue bay, green hills, and buildings. A rainbow is visible in the sky above the water. An orange arrow points to the right in the top left corner.

- Blockchains and Business Applications
 - Blockchain and cryptocurrencies, and applications in supply chains
- AI Studio and Business Implementations
 - AI driven business implementation projects

MSDSCM Program Highlights

- CBA and AACSB accredited program
 - Offered by Technology and Operations Management Department in College of Business Administration, administered by CPP College of Professional and Global Education
 - Degree program from Cal Poly Pomona
- STEM program (36-month extended OPT) - 52.1399
 - CPT is also available for international student
- Strong emphasis on business analytics and contemporary technologies
- Flexible roadmaps – one-year or two-year length for full-time and part-time students
 - <https://www.cpp.edu/cba/technology-and-operations-management/msdscm/curriculum.shtml>
- Competitive program costs
- Networking and speaker series

Program Implementation

- Format – primarily face to face format as designed
- Time: combination of weekend sessions and weekday evening sessions
- Two roadmaps – one year (12-month) and two year (21-month)
 - MSDSCM – 32 credits (12,12,8 for one year; 6,6,7,6,7 for two year)
- Cohort based program
 - Cohort starts in **Fall semester**
 - Need to follow the program roadmaps
- Details at <https://www.cpp.edu/cba/technology-and-operations-management/msdscm/home.shtml>

Program Cost and Financial Aid

- 32 units x \$825 and around \$850 auxiliary fees each semester charged by the university
- **One-year** plan tuition (same for domestic and international students)
 - Total around $\$26400 + 3 \times \$850 = \$28950$ ~ **total around \$29k**, excluding textbooks and living expenses
- **Two-year** plan tuition (same for domestic and international students)
 - Total around $\$26400 + 5 \times \$850 = \$30650$ ~ **total around \$31k**, excluding textbooks and living expenses
- Financial aid – FAFSA
 - <https://www.cpp.edu/financial-aid/index.shtml>
- Living on campus (housing cost and meal plans)
 - <https://www.cpp.edu/housing/futureresidents/housing-costs.shtml>
 - <https://cppvillage.com/apartment-information/>

Admission (May 1 - international & July 1 - domestic)

- The M.S. in Digital Supply Chain Management program is open to students who hold a baccalaureate degree from a regionally accredited college or university.
- The admission to this program is based on the review of the following criteria:
 - Business or relevant education background with basic knowledge in Finance, Accounting, Marketing, Management Information Systems, and Organizational Behaviors, etc.
 - Demonstrated mastery of college algebra, statistics, and programming with a grade of “C” or better in relevant coursework.
 - Undergraduate degree with at least 2.5 Grade Point Average (or equivalent).
 - For International students: demonstrated proof of English proficiency, e.g., TOEFL score of 550 (paper-based), 213 (computer-based) or 80 (internet-based), or IELTS of 6.5 or above. (Duolingo test this year, 105 or above)
 - Two letters of recommendation (links sent to the references to upload the letters)
 - Statement of purpose
 - Current resume

Admission (May 1 - international & July 1 - domestic)

- Admission process – 1. CSU Apply; 2. CPP admission office; 3. CBA program review
- International students – <https://www.cpp.edu/international/>
 - Minimum 6 semester credits as full-time graduate students
 - Apply early
- Admission office - <https://www.cpp.edu/admissions/index.shtml>
