

A big thank you for Tony Rambaud for representing Kohls or our Speaker Series! Kohl's is a fast-growing company that has been around for some time and has had major changes in strategic business planning to handle the efulfillment Center's demand. Tony misses engaging with the student community on campus and hosting Tours at their San Bernardino eFulfillment Center and is excited to have us when things do open back up! Kohl's Has a Leadership Intern that engages in every part of the fulfillment center including a variety of online training and finishing of the last few weeks running your own area!
