

Marble Painting

Theme:

Creative marble inspired art

Curriculum Area:

Visual and Performing Arts

Activity:

The children will find interest with the outcome of mixing the colors. It is also a sensory experience with the shaving cream

Age of Children:

4 – 5 Years Old Preschool Age

Materials Needed:

- Smocks
- Shallow containers
- Shaving cream
- Cardstock paper
- Multi-color paints
- Pipets
- Scraper

Developmental Objectives:

Children will observe the outcome of mixing colors and shaving cream, then transferring it onto paper to create artwork

Procedure:

- Put a smock on
- Get a shallow container and fill it with shaving cream
- Using pipets, add different color paints to the shaving cream
- Use finger to create the marble effect by intermingling the colors
- Place paper onto the shaving cream

- Remove the sheet and place on counter
- Scrape the shaving cream off the paper
