 Traveling on University Business?

Complete the 1A Travel Form available in your department at least 10 days prior to the trip and before you spend any funds. The form includes the estimated cost which you need to complete. Your Department Chair forwards the recommendation to the Dean's Office for processing. You will receive an email when a decision is made. Travel requests after the trip will not be approved.

Remember expenses are reimbursed after they occur and you must submit the claim within ten days after you return for reimbursement.

Boarding Passes must be submitted for Airline Travel Reimbursement.
