Have you previously taken CPU 4010? _____ _____   **If Yes**, when did you take CPU 4010? _____ _____
Yes   No   Qtr/Sem   Year

CPU 4010 Application Checklist
Please, attach the following printouts to this application form:
❑ Email Addresses on file *(access on BroncoDirect under Applicant Home Page: Personal Portfolio)*
❑ Test Summary *(access on BroncoDirect under Student Home Page: View Test Summary)*
❑ CPP Unofficial Transcript *(access on BroncoDirect under Student Home Page: View My Transcript)*
CPU 4010 Application Policies
❑ Submitting an incomplete application packet will result in the student not being considered for CPU 4010 enrollment. Therefore, please make sure to provide all of the requested information and materials.
❑ Students must apply in the semester directly preceding the semester in which they hope to enroll in CPU 4010. If not placed in a class, students must reapply in order to be considered for future sections of the course.
❑ Students must have unsuccessfully attempted the GWT at least twice in order to be eligible to apply for CPU 4010. Therefore, if you have attempted the test fewer than two times and you submit an application for the course, your submission will not be considered.

If I am enrolled in CPU 4010, I agree to **not** take the Graduation Writing Test (GWT) that is offered during that semester. I also understand that, if I pass CPU 4010, I have met the GWT requirement. However, if I **do not** pass, I can retake CPU 4010 or use my five essays toward a GWT waiver.
