Preparing for your Group Tour

Congratulations, you have scheduled a tour of Cal Poly Pomona! Group tours educate young students about the exciting opportunities of higher education. Our tours are designed to not only enlighten students about Cal Poly Pomona, but to give them the encouragement and knowledge they need to make their own higher education dreams a reality.

Campus Location

Cal Poly Pomona is located at **3801 W. Temple Ave.** in the city of Pomona; located just south of the 10 freeway and west of the 57 freeway. As Southern California traffic and campus parking tends to be a bit unpredictable, please arrive at least 30 minutes prior to your scheduled tour time.

If you are traveling by bus, please have group dropped off on Oak Lane, just off Palm Drive and Kellogg Drive located near the Campus Police Station. Your group will then walk toward the tall CLA Tower Building #98. After offloading, your bus driver can park in the overflow lot near the American Red Cross off Valley Blvd and Kellogg Drive.

Note: Due to the very full daily tour schedule, early and late arrivals cannot be accommodated.

Check In

Tour check-in is located on the 2nd outer floor of the CLA Building (98). Look for the campus tour canopy and our tour guide(s) will check you in. Tours will begin outside within the 2nd-floor breezeway.

During Your Tour

During the walking tour, your tour guide(s) will highlight the location of programs and services, give your group insight into what it is like to be a Cal Poly Pomona student and share with you some of Cal Poly Pomona's unique features. Discover:

- The Power of Polytechnic
- An Affordable, Quality Education at a Great Location
- Get Connected to Campus Life
- Diversity
- Learn By Doing Education that Prepares You for Your Career
- Heritage
- Student Centered Philosophy
