**STATE OF CALIFORNIA  
VENDOR DATA RECORD**

STD. 204 (CSU Pomona Rev. 6/13) (Reverse)

**ARE YOU A RESIDENT OR NON RESIDENT?**

Each corporation, individual/sold proprietor, partnership, estate, or trust doing business with the State of California must indicate residency status along with their vendor identification number.

A **corporation** if it has a permanent place of business in California. The corporation has a permanent place of business in California if it is organized and existing under the laws of this state or, if a foreign corporation has qualified to transact intrastate business. A corporation that has not qualified to transact intrastate business (e.g., a corporation engaged exclusively in interstate commerce) will be considered as having a permanent place of business in this state only if it maintains a permanent office in this state that is permanently staffed by its employees.

For **individual/sole** proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary transitory purpose. Generally, an individual who comes to California for a purpose which will extend over a long or indefinite period will be considered a nonresident.

For withholding purposes, a **partnership** is considered a resident partnership if it has a permanent place of business in California. An **estate** is considered a California estate if the descendant was a California resident at the time of death and a **trust** is considered a California trust if at least one trustee is a California resident.

More information on residency status can be obtained by calling the Franchise Tax Board at the numbers listed below:

From within the United states, call 1-800-852-5711  
From outside the United States, call 1-916-845-6500  
For hearing impaired with TDD, call 1-800-822-6268

**ARE YOU SUBJECT TO NONRESIDENT WITHHOLDING?**

Payments made to the nonresident vendors including corporations, individuals, partnerships, estates and trusts are subject to income tax withholding. Nonresident vendors performing services in California or receiving rent, lease or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for state income taxes. However, no California tax withholding is required if total payments to the vendor are \$1,500 or less for the calendar year.

A nonresident vendor may request that income taxes be withheld at a lower rate or waived by sending a completed form FTB 588 to the address below. A waiver will generally be granted when a vendor has a history of filing California returns and making timely estimated payments. If the vendor activity is carried on outside of California or partially outside of California, a waiver or reduced withholding rate may be granted. For more information, contact:

**If a reduced rate of withholding or waiver has been authorized by the Franchise Tax Board, attach a copy to this form.**

**FOREIGN CITIZENS and FOREIGN BUSINESSES**

Federal tax withholding regulations differ significantly from California tax withholding requirements. A tax analysis consultation and additional forms must be completed before a payment can be released.

**Privacy Statement**

Section 7(b) of the Privacy Act of 1974 (Public Law 93-5791) requires that any federal, state, or local governmental agency which requests an individual to disclose his social security account number shall inform that individual whether that disclosure is mandatory or voluntary, by which statutory or other authority such number is solicited, and what uses will be made of it.

The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State must provide their Taxpayer Identification Numbers (TIN) as required by Revenue and Taxation Code Section 18646, to facilitate tax compliance and enforcement activities and preparation of Form 1099 and other information returns as required by Internal Revenue Code Section 6109(a). The TIN for individuals and sole proprietorships is their Social Security Number (SSN).

**It is mandatory to furnish the information requested. Federal law requires that payments for which the requested information is not provided be subject to a 31% withholding and state law imposes noncompliance penalties up to \$20,000.**

You have the right to access records containing your personal information, such as your SSN. To exercise that right, please contact the business services unit or the accounts payable unit of the state agency(ies) with which you transact that business.

Please call the Department of Finance, Fiscal Systems and Consulting Unit at (916) 324-0385 if you have any questions regarding this Privacy Statement.
