

COVID-19 GUIDELINES

We are following current L.A. County Health and Cal Poly Pomona COVID-19 policies.

We're working hard to create the safest possible environment for everyone coming to the event, including our guests, staff, volunteers and the animals in our care. We ask that everyone follow social distancing protocols, face covering policies, and other posted guidelines throughout the event, and wash/sanitize their hands often. Masks may be required for certain activities.

Please do not attend the event if you are experiencing any COVID-19 symptoms or are under quarantine or isolations orders.

Guests arriving at the event will go through metal detection and all bags, purses, backpacks, waist packs, etc. will be examined prior to entering.

Sharp objects (including pocketknives and metal chains), firearms, or other items that could be considered a weapon are strictly prohibited and will not be allowed into the event.

Cal Poly Pomona's Pumpkin Fest does not tolerate guests who fight and/or harass other guests while on our property. Please visit the CPP University Police Department page for more information on safety.

CPP University Police

Thank You!
