

## Pronouns

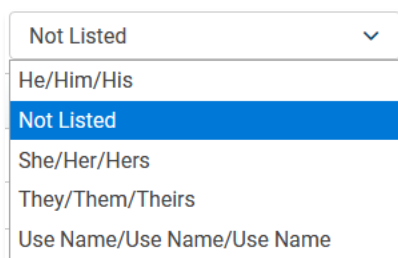

CPP offers students the option to specify their preferred pronouns, which will show up on class rosters for faculty.

You can set or update your pronouns in **Student Center**:

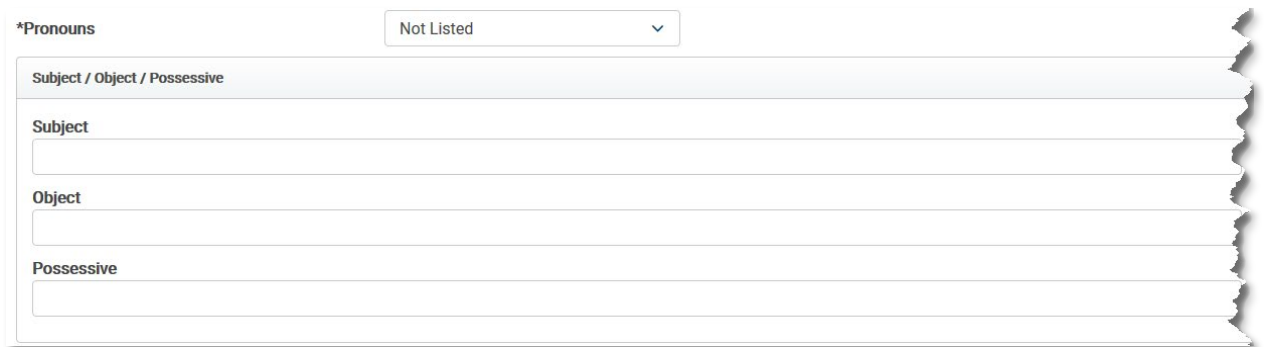

1. Log in to [MyCPP](#) and open the **Student Center** within BroncoDirect
2. In the **Personal Information** section, click **My Pronouns** link

3. Select a Pronoun from the drop-down list

4. If selecting **Not Listed**, enter the **\*Pronouns** → Subject/Object/Possessive entries in the fields

The screenshot shows a form titled '\*Pronouns' with a dropdown menu set to 'Not Listed'. Below the dropdown is a header 'Subject / Object / Possessive' and three input fields labeled 'Subject', 'Object', and 'Possessive'. The right edge of the form has a decorative, torn-paper effect.

5. Click **Save**
