Flexing Their Muscles
Two Alumni Play Big Roles in Games as Head Athletic Trainers for Clippers and Lakers

Through sweat and determination, two Cal Poly Pomona kinesiology alumni hold two of the most sought-after positions in Los Angeles sports.

Jasen Powell (‘95, kinesiology) is the head athletic trainer for the Clippers, and Marco Nuñez (‘01, kinesiology) is the head athletic trainer for the Lakers.

Time Magazine: Cyber Security

Why We Shouldn’t Know Our Own Passwords

An article about our cybersecurity student research on how to use our brainwaves as a password has been quoted in the following link.

Hackpoly 2017 Breaks New Ground with Competitors

Not only did Hackpoly 2017 break an attendance record for the second straight year, the annual challenge to bring ideas to life also ventured into uncharted territory.

For the first time, a college from outside California competed among a field of nearly 600 would-be inventors. A team from the University of Arizona made the 460-mile trip to campus.
