About me: Hi y'all I am a transfer student from west los angeles college. I got my associate's in Biology and I transferred to CPP a year ago (Aug 2022). In my first year here I got the opportunity of getting an internship at the vivarium. I got to work with different reptiles and got over my fear of snakes. I have 1 dog his name is Bobo. Something about me is that I love listening to music and going to concerts. I recently learned how to crochet at a club here at cal poly pomona (poly purlers). I love being out and about whether that be going to concerts, movie premieres, or just taking a walk around the block.

me with the chameleon here at CPP Biotrek

Fav artists: although I listen to so many artists here are some... kiana ledé, kehlani, bts, blackpink, bad bunny, becky g, snow tha product, paramore, tori kelly, luis miguel, megan thee stallion.

This is a type of music but I love cumbias costeñas, it puts me in a good mood.
