SEMESTERS

CALIFORNIA STATE POLYTECHNIC UNIVERSITY, POMONA

POLICY NO: 1426*
ACADEMIC MINORS

1. Minors shall be available only to undergraduate students.
2. ~~Students may pursue more than one minor.~~ Students may declare up to two minors in addition to their primary major if all academic programs can be completed within 24 semester units above the number of units required for their primary major. Students must receive the approval of the chair of the department offering the proposed academic program. (AS-2422-123/AP)
3. A student shall not pursue a major and a minor in the same degree plan, with the exception of some interdisciplinary minors. Students may declare a minor in the same department as their major or option if the college or department determines that the two sets of courses are clearly distinct. (AS-2465-145/AP)
4. A minor requires at least ~~24-18~~ ^{was "16"} semester units of coursework and a maximum of 36 units, of which with at least 12-9 ^{was "8"} of those semester units must be at the upper division level. (AS-2465-145/AP) ^{ADDED}
5. A minimum GPA of 2.0 for courses in the minor is required to be awarded a minor.
- 6.0 Students should declare the minor(s) so that a curriculum year is established and their progress tracked accordingly. (AS-2348-910/AA). Minors may be declared at any time in a students' career but students are strongly encouraged to declare minors early in their career. After earning 90 total semester units, students may declare a minor only if they are in good academic standing and have the approval of the chair of the department offering the proposed academic program. Credits from transfer units, non-traditional college-level work (including AP, IB, and CLEP examinations, and credit by challenge examinations), and military service in excess of 60 semester units shall be excluded from the unit count for the purposes of the minor.** (AS-2422-123/AP)
- 7.0 Students may request exceptions to the minor policy by filing a general academic petition. (AS-2422-123/AP)

*Revised AY 2016-2017

**Students often have credits from these sources that are not applicable to their Cal Poly Pomona degree program for a variety of reasons, including unfamiliarity with how tertiary education works (especially first generation college students), poor advising at Community College, exploration/change of career direction, credits for sports, etc. The intention of this policy is to count up to 60 semester units that likely fulfill GE and academic program requirements at Cal Poly Pomona without prohibiting transfer students from minoring if they have a large number of units that do not further their Cal Poly Pomona degree. (AS-2422-123/AP)

Departments may close or limit changes of major for a specific term to ensure that the number of students in that major can be accommodated. Information regarding requirements and/or closures of majors is available at the Registrar's Office website.

Double Majors (AS-2422-123/AP)

Students may declare one major in addition to their primary major if all academic programs can be completed within 32 semester units above the number of units required for their primary major. Students must receive the approval of the chair of the department offering the proposed academic program.

Double majors may be declared at any time in a students' career but students are strongly encouraged to declare double majors early in their career. After earning 90 semester units, students may declare an additional major only if they are in good academic standing and have the approval of the chair of the department offering the proposed academic program.

Credits from transfer units, non-traditional college-level work (including AP, IB, and CLEP examinations, and credit by challenge examinations), and military service in excess of 60 semester units shall be excluded from the unit count for the purposes of the double major policy.**

Students may request exceptions to the double major policy by filing a general academic petition.
