Background

Policy 1302 defines the Trustee Professor Appointment as a tenured former President, Chancellor, or Vice Chancellor of the California State University who is designated to occupy the faculty position and a position that is funded by the Office of the Chancellor.

Policy 1302 previously existed on the University Manual (UM 301.233). The policy is currently visible on the Academic Manual. There is no record of Policy 1302 being adopted by the Academic Senate or approved by the President. This referral is requesting a review of Policy 1302 to determine the policy's validity and relevancy of public listing on the Academic Manual. No prior Academic Senate reports are available for consideration.

Discussion

The current policy never went through the shared governance process and is also not governed by the CBA. Additionally, this is governed through retreat rights as is negotiated by the employee and the hiring body.

Recommendation

Remove from the University manual as it did not go through the shared governance process nor is it a necessary policy.
