Second Reading

TITLE OF REFERRAL: MAT 1940 – Mathematical Concepts for Elementary School Teachers (GE Sub-area B4)

BACKGROUND:

The Mathematics and Statistics Department is requesting to remove “Category III” from the list of pre-requisite requirements options for MAT 1940. Category III students are required to take one from a set of other MAT classes to provide them with extra support before enrolling in MAT 1940. The Department has requested removing “Category III” from the list of pre-requisite requirements options for MAT 1940, since it is no longer an option for the course and Category III students are already taking another required course prior to enrolling in MAT 1940.

RESOURCES CONSULTED:

Dr. Berit Givens, Chair, Mathematics and Statistics Department

DISCUSSION: The changes made do not affect the course’s ability to meet the GE Sub-area B4 requirements. No revisions of the ECO were requested.

RECOMMENDATION: The GE Committee unanimously recommends approval of MAT 1940 – Mathematical Concepts for Elementary School Teachers (GE Sub-area B4).
