TITLE OF REFERRAL: STA 1200 – Statistics with Applications (GE Sub-area B4)

BACKGROUND:

The Mathematics and Statistics Department is requesting to remove “Category III” from the list of pre-requisite requirements options for STA 1200. STA 1205 Statistics with Applications with Support was created to provide Category III students additional support in place of STA 1200. The Department has requested removing “Category III” from the list of pre-requisite requirements options for STA 1200, since it is no longer an option for the course and Category III students are already taking STA 1205.

RESOURCES CONSULTED:

Dr. Berit Givens, Chair, Mathematics and Statistics Department

DISCUSSION: The changes made do not affect the course’s ability to meet the GE Sub-area B4 requirements. No revisions of the ECO were requested.

RECOMMENDATION: The GE Committee unanimously recommends approval of STA 1200 – Statistics with Applications (GE Sub-area B4).
