First Reading

TITLE OF REFERRAL: IGE 2350 – Rival Empires: Representation and Resistance (GE Sub-area C1)

BACKGROUND:

The Interdisciplinary General Education Program (IGE) is requesting to change the name of IGE 2350 from “Empires, States, and Peoples: Cultural Contact and Exchange” to “Rival Empires: Representation and Resistance” and to remove all pre-requisite requirements for the course. IGE has requested these changes to facilitate enrollment and timely completion of program requirements.

RESOURCES CONSULTED:

Dr. Hilary Haakenson, Program Coordinator, Interdisciplinary General Education Program
Dr. Aaron DeRosa, Faculty Director for Undergraduate Studies and General Education

DISCUSSION: The changes made do not affect the course’s ability to meet the GE Sub-area C1 requirements. No revisions of the ECO were requested. The GE Committee discussed whether name changes constituted a minor revision and if we should move forward with the requested changes during the GE pause. After consulting with the IGE Program Coordinator, Dr. Haakenson, we concluded as a Committee that the requested changes were minor and that any substantive changes would be handled in future review of the courses.

RECOMMENDATION: The GE Committee unanimously recommends approval of IGE 2350 – Rival Empires: Representation and Resistance (GE Sub-area C1).
