CALL FOR PAPERS  WTS 2020  www.cpp.edu/wts

19th ANNUAL WIRELESS TELECOMMUNICATIONS SYMPOSIUM (WTS 2020)
April 22-24, 2020, Washington, DC, USA

Technical Co-Sponsor: IEEE Communications Society

We invite the submission of applied research papers to the 19th Annual Wireless Telecommunications Symposium, WTS 2020, which will be held April 22-24, 2020 in Washington, DC, USA. For further information, visit www.cpp.edu/wts.

The Wireless Telecommunications Symposium brings together industry professionals and academics from companies, governmental agencies, and universities around the world to exchange information on advances in mobile communications and wireless networking technology, business, policy, applications and security. Past WTS participants have included Dr. Vinton Cerf, Dr. Robert Kahn, and Dr. Leonard Kleinrock, Internet pioneers; Martin Cooper, "Father of the Cell Phone"; Dr. Irwin Jacobs, Co-Founder and Former CEO of QUALCOMM; and Mike Lazaridis, Founder and former Vice-Chairman, Blackberry.

The theme for WTS 2020 will be “Global Wireless Communications: A Washington, DC Perspective”. Planned highlights of WTS 2020 include executive presentations and keynote addresses; presentations of accepted academic and practitioner research papers; panel discussions; tutorials and workshops; a poster paper session; and a doctoral students’ session. Accepted and presented papers will be published in the conference proceedings and submitted to IEEE Xplore as well as other Abstracting and Indexing (A&I) databases. Awards will be given for the most outstanding paper presented and best graduate and undergraduate student papers presented. Some selected high-quality papers from WTS 2020 will be considered for publication in the International Journal of Interdisciplinary Telecommunications & Networking, pending their successful extension and an expedited review process. Topic areas of interest include, but are not limited to, the following:

- Wireless Internet and Multimedia
- Satellite Based Systems
- Global Wireless Services, Business & Applications
- Mobile Operating Systems & Architectures
- Mobile and Wireless Network Security and Privacy
- Wireless Modeling, Algorithms & Simulation
- QoS, QoE, and Wireless Network Reliability
- Mobile & Cloud Computing
- Wireless and Healthcare
- Spread-Spectrum/CDMA/OFDM Technologies
- RFID Systems & Applications
- IoT Device Connection Efficiency
- IoT Security
- Mobile IP and Cloud Security
- Wireless Communications Investments & Ventures
- WLANs, WPANs, and Femtocells
- 4G, 5G and Beyond Wireless Networks & Systems
- Wireless and New Media
- Ad Hoc and Sensor Networks
- Spectrum Management and Policy
- Wireless M2M and Home Networks
- Wireless Telecommunications Management
- GPS and Indoor Geolocation Systems
- Autonomous Transportation
- Big Data Analytics in Telecommunications
- Low Power Wide Area (LPWA) Network
- Mobile and Cloud Digital Forensics
- Mobile Cybersecurity and Phishing

IMPORTANT DATES:
January 27, 2020 Paper submission deadline
March 10, 2020 Notification of acceptance
April 1, 2020 Camera-ready submissions

WTS 2020 TECHNICAL PROGRAM COMMITTEE CHAIRS:
Dr. Ehsan Sheybani, University of South Florida  sheybani@sar.usf.edu
Dr. Pavlos Lazaridis, University of Huddersfield  p.lazaridis@hud.ac.uk

WTS COMMITTEE CHAIRS:
General Chair: Dr. Steven Powell, Cal Poly Pomona  Program Chair: Dr. JP Shim, Georgia St. Univ.
