CPP IS AN IMPACTED CAMPUS
Impaction means we receive more applications from qualified students than can be admitted. At Cal Poly Pomona, we are impacted as a campus and we are impacted across a number of individual programs and majors. Supplemental criteria may be required, including a higher GPA and additional program preparation.

ASSOCIATE OF ARTS FOR TRANSFER (AA-T) OR ASSOCIATE OF SCIENCE FOR TRANSFER (AS-T)
California Community College students who earn an Associate Degree for transfer (AA-T or AS-T) are guaranteed admission to a CSU campus, and given priority consideration for admission if they apply for a program that has been deemed similar to the degree completed at the community college.
