WE INVESTIGATE COMPLAINTS
The California State Auditor investigates complaints and reports the results of substantiated allegations to the:
- Head of the employing agency.
- Legislature, Governor, and appropriate law enforcement agencies.
- General public, keeping identities confidential.

The California State Auditor does not have the authority to investigate:
- Violations of a department’s internal policies or procedures.
- Local government agencies and employees.

WE PROTECT YOUR IDENTITY
The Whistleblower Protection Act requires the California State Auditor to protect your identity and prohibits intimidation, threats, or coercion by state employees that could interfere with your right to disclose improper activities.

If you feel that you have been retaliated against for reporting an improper governmental activity, you should report this immediately to one of the following agencies:
