WESTERN UNDERGRADUATE EXCHANGE (WUE)

WUE is open to all applicants, freshmen and transfer, who are residents of the Western Interstate Commission for Higher Education (WICHE) states. Cal Poly Pomona (CPP) applicants who are residents of WICHE states are automatically considered for WUE. No additional application is necessary. Award recipients are selected based on their academic profile (GPA and SAT/ACT test scores), and will be issued to the top WUE admits. If granted, WUE recipients pay 150% of resident tuition (non-resident fees waived for four years for freshmen and two years for transfer students). Visit www.cpp.edu/admissions for more information.

WHAT IS IMPACTION?

Cal Poly Pomona is an impacted campus and a number of individual majors are also impacted. Impaction means we receive more applications from qualified students than can be admitted. Supplemental criteria may be required for freshmen and transfer applicants. Freshmen requirements include a higher Eligibility Index (GPA and SAT/ACT) while transfer requirements include a higher GPA and additional major preparation. Visit www.cpp.edu/admissions for details.
